

# School of the Musketeer

1580 – 1650

Presented by The Kingdom of Lucerne

April 22 & 23, 2017

Located at Historic Fort Mifflin • Fort Mifflin Road • Philadelphia, PA  
Come join us for a fun and interesting weekend of life in the 17<sup>th</sup> Century

Learn how to fire a matchlock musket, be part of a live fire cannon crew, handle a pike and experience the thrill of dueling with swords.

There is much more to musketeer life than just being a soldier. How were clothes made and where did the raw materials come from for these? Learn how to start a fire without matches. How were heavy objects moved and transported? Taste the food and learn how it was prepared 400 years ago.

Soap didn't come from the supermarket, bread didn't come in a bag and the lights at night were not plugged in to electricity. So UNPLUG—and come spend the weekend with us!
